Complimentary pint of Krombacher at Bierschenke!

Bierschenke

AUTHENTIC MUNICH BEER HALL

Dear SUBSCRIBER NAME

Bierschenke and Krombacher would like to invite you to enjoy 1 of 499 complimentary pints of Krombacher Pils to celebrate 499 years of German (beer) purity law, the oldest food law still in existence today! Even though beer was not invented in Germany, the art of brewing was undoubtedly refined to perfection there and we, at Bierschenke, are counting down the days until the 23rd of April 2016, which will be the 500th anniversary of the adoption of the Reinheitsgebot, the German purity law.

To mark the 499th anniversary of this enactment, Bierschenke will kick-off a year of celebrations and special events and we would like to invite you to join us!

Counting down the days we would like to offer you the exclusive chance to claim your complimentary pint of Krombacher at Bierschenke!

And why not visit one of our Bierschenke Beer Tasting Experiences on the 18th of May, 22nd of June, 27th of July or 24th of August to learn more about the German method of brewing beer and sample a variety of beers we have on offer? You can find more information on how to book your tickets on our website: bierschenke.co.uk/events.
